

# GE Dental Plan

## What's new for 2023

### Payroll Contributions

Dental payroll contributions will be slightly increasing.

Monthly Payroll Contribution

	2023	2022
1 Person	\$30.67	\$29.50
2 Person	\$61.33	\$59.00
3+ Persons	\$92.00	\$88.50

## What's Covered

Dental coverage is offered to salaried employees and their families enrolled in GE Health Choice. Coverage level and covered family members must match GE medical coverage.

MetLife negotiates reduced rates for dental services with dental care providers in the dental care network. Use these providers to decrease your out-of-pocket costs. Some dental providers who are not part of a Preferred Provider Network may charge fees in excess of what is reasonable, necessary and customary.

## Using my Benefits

**Finding a provider:**

Go to [metlife.com/dental](https://metlife.com/dental) (<https://metlife.com/dental>) > Find a Participating Dentist > Find a Dentist > select PDP > enter your zip code.

**At your provider:**

When at your providers office you will need to tell them you work for GE and provide your GE Single Sign On number as the member id number for you and your dependents. There is no dental id card provided or needed at your providers office.
